

OKPCA Colorectal Cancer Presentation

Robyn Sunday-Allen
Chief Executive Officer

OKLAHOMA CITY

INDIAN

CLINIC

www.okcic.com

Organization Background

- * Founded in 1969 by a group of volunteer physicians that saw patients for approximately 5 hours a week.
- * In 1974 Oklahoma City Indian Clinic (OKCIC) was incorporated and developed a clinic in the downtown area of OKC.
- * Due to continuous growth, the clinic was relocated to an area that allowed for expansion. Currently OKCIC is operating out of two buildings and is in the process of developing a third.

Who We Serve

- * Members of federally recognized tribes that have a Certificate Degree of Indian Blood (CDIB) card
 - * Majority of patients come from Oklahoma City area
 - * Patients from over 220 different tribes
 - * Approximately 20,000 individuals consider OKCIC to be their Medical Home
 - * Current CRC screening population is approximately 3500 individuals
- * Vision: To be the national model for American Indian health care.
- * Mission: To provide excellent healthcare to American Indians.

FluFIT/Pharmacy

- * Flu FIT
- * FIT Kit Reminder System
 - * Distribution
 - * Raised Screening rates by 3% in two month period

Policy/System Changes

- * EHR reminder recalls
- * Partnership with American Cancer Society (ACS)
