When you're ready to ride:

- Select an eligible ride in Personal mode (not Business profile).
- Your Lyft Pass will apply automatically at checkout if the ride meets the criteria.

Important Reminders:

- **Do not share your Lyft Pass** – it's tied to your phone number and Lyft account.
- **A 15% tip is already included**, so no additional tipping is required.
- **Ensure your payment method is up to date** – if your ride costs more than the pass covers, the remaining balance will be charged to your personal payment method.
