

Community Health Centers

Team Charge: *To identify and act on opportunities for NCCRT to advance efforts to increase colorectal screening delivery within the community health center setting*

Jim Hotz, MD

Reflecting on 2022 and Looking Ahead to 2023

IT IS 1933 AGAIN!

***THE GOAL POSTS HAVE MOVED BACK 20%
AND CHCs ARE KICKING IN BUFFALO!***

***UDS STARTS JAN 1, 2023 COUNTING 45 YO
20% INCREASE OF POPULATION SERVED AND
MOST LIKELY TO BE UNINSURED AND NOT
SEEING PRIMARY CARE YEARLY***

Strategic Priority Team Themes

- Identifying the needs of communities and learning what will resources resonate
- Education: What does this look like for providers and staff and how do we learn from each other?
- Health Equity: Cultural considerations, messaging, language, and reaching all community members
- Continuing to create and cultivate partnerships within the community
- Identify needs and create materials that can be easily accessed and utilized by CHCs

Large Audacious Inspirational Goal

- Standardized reporting for health systems; could we create a free downloadable system?
- System or catalog that shows national, state, local funding that is available
- Train the trainer for clinical champions and CHC staff
- Create a series of training videos for each section of the Steps Guide, and plug them into a project ECHO
- Tools for negotiating low-cost colonoscopy procedures **LINKS TO CARE**
- Payer reform community health workers; Medicare or Medicaid to cover
- **DEVELOP NAVIGATION SYSTEMS**

Reflecting on 2022 and Looking Ahead to 2023

What Can This Group Do?

- Engage and learn from state roundtables working with CHCs
- Create a way to stay in communication and share best practices
- Partner around a shared idea
- ? Need for UDS GOALPOST SUMMIT
