## WEBINAR

How to Increase Access to Specialists for Community Health Center Patients in the Delivery of Colorectal Cancer Screening & Follow-up Care

MON AUG 17<sup>TH</sup>  
3:00 PM EST

This webinar, “**Improving Access to Specialists for Community Health Center Patients in the Delivery of Colorectal Cancer Screening and Follow-up Care: Advice from Model Programs**”, will examine the common features of model programs that have demonstrated success in delivering colorectal cancer (CRC) screening and follow-up care to uninsured, underinsured, and low-income adults in their respective communities.

We will hear directly from leaders of the model programs, who will describe elements that were crucial to their success in building strong relationships with gastroenterologist, hospitals and other specialists in the delivery of screening.

The training is open to CDC NCCCP grantees, CDC CRCCP grantees, NCCRT members, 80% by 2018 partners, and ACS Health Systems staff.

Space is limited
